FOURTH SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
Washington, DC 20231

Dear Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of a claim of the subject application, Attorneys for Applicants hereby direct the Examiner's attention to references AM1, AL1, and AA-AE listed on the attached Form PTO/SB/08. A copy of each of references AA-AE is enclosed. Although references AM1 and AL1 are listed on the attached form PTO/SB/08, copies are not supplied because they were previously cited by Applicants in the First Supplemental Information Disclosure Statement and the Second Supplemental Information Disclosure Statement filed in the instant application on September 3, 1998 and October 31, 2000, respectively.

The above information is presented so that the Patent and Trademark Office can determine any materiality thereof to the claimed invention. See 37 CFR §§ 1.104(a) concerning the PTO duty to consider and use any such information. It is respectfully requested that the information be considered during the prosecution of this application.

Identification of the listed references is not to be construed as an admission of any individual associated with the filing or prosecution of the subject application that such references are available as "prior art" against the subject application. Furthermore, Applicants

do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the subject application.

Applicants respectfully request that the Examiner review the listed reference(s) and that the reference(s) be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(d), although this Supplemental Information Disclosure Statement is being filed after the mailing date of a final Office Action under §1.113, a notice of allowance under §1.311, or an action that otherwise closes prosecution in this application, the Patent and Trademark Office will consider the Supplemental Information Disclosure Statement if it is accompanied by a statement as specified in 37 C.F.R. § 1.97(d)(1) and the fee as specified in 37 C.F.R. 1.97(d)(2). Accordingly, the required fee of \$180.00 is transmitted herewith with the concurrently filed Fee Transmittal, with the appropriate fee(s).

Accordingly, the undersigned certifies pursuant to 37 C.F.R. § 1.97(e)(1) that each item of information contained in this Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of this Supplemental Information Disclosure Statement. In particular, the listed references (AA-AD) were cited in a European Search Report (reference AE) mailed January 13, 2003, in connection with a corresponding international application. The required fee of \$180.00 is also transmitted herewith with the concurrently filed Fee Transmittal, with the appropriate fee(s).

The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith to our Deposit Account No. 08-3425.

Dated: February 12, 2003

Respectfully submitted,
